OC DEAF Sign Language Lab

Want to improve your signing skills? Need to prepare for the interpreter certification tests? Now you can access various resources to help polish your signing skills and understanding of the Deaf community. The OC DEAF Sign Language lab has the materials you need. Whether you are a beginning ASL student or a working interpreter, you will find DVDs and reading material for your skill level. The lab includes materials on:

- Deaf history and culture
- Basic ASL, fingerspelling, and number signs
- Simultaneous and Consecutive interpretation
- Educational interpreting

(Various subjects from grades 1-12)

- RID suggested reading
 - NIC & RID test preparation
 - CDI test preparation
 - Medical interpreting
 - Legal interpreting
 - Interpreting in various other settings
- and more!

OC DEAF is a subsidiary of :
